issu d'un projet de recherche international cet ouvrage interroge la diversité de la vie culturelle intellectuelle et scientifique à la cour des papes à avignon en

privilegiant trois approches le contenu de la biblioth que papale la production des manuscrits et les d bats th ologiques qui se d roul rent   avignon au 14e si cle

une mise en perspective th orique et historiographique pr sente la diversit  et la multiplicit  des travaux men s sur l'histoire intellectuelle sur les intellectuels catholiques et sur leurs liens avec la belgique francophone

ouvrage de synth se pour se rep rer dans l'histoire de la pens e pr sentation des auteurs phares des oeuvres majeures des courants de pens e des notions cl s et des mouvements litt raires et esth tiques couvre le programme de culture g n rale de premi re ann e des classes pr paratoires commerciales avec une actualisation des mouvements de pens e contemporaine

this book deals with the different translations into old french of giles of rome s de regimine principum dedicated to philippe le bel around 1279 and their readership first hand manuscript research has permitted us to understand not only the general context of their production but also the social conditions of their transmission and circulation this work concentrates on different aspects of the reception of giles of rome s pedagogical ideas by his translators who are by no means passive in this process this book provides not only a concrete idea of what giles of rome s educational ideas became when mediated for the consumption of a lay public but also how the translators in their translations supported the transmission of re appropriated knowledge

le lecteur d'une histoire culturelle et intellectuelle de la france au 20e si cle s'attend sans doute   y d couvrir les grands traits de l' volution des id es de la litt rature et des arts il les trouvera les jeux d'influence entre les artistes les ruptures dans la cr ation et les grandes r flexions du si cle y sont largement analys s mais par del  les formes d'une culture que l'on pourrait qualifier de noble d'autres pratiques culturelles s'imposent les chansons du music hall les manifestations sportives le cin ma et la lecture dits populaires les  missions radiophoniques ou t l visuelles la mode m me apportent leur contribution   l' difice culturel les auteurs ont  galement eu le souci de dresser un inventaire des principaux lieux de la production et de la diffusion artistique et intellectuelle on observera que les artistes ou les hommes de lettres acc dent   la notori t  par des biais aussi vari s que les salons litt raires et les caf s l' cole et l'universit  le journal et l'audiovisuel le 20 si cle voit ainsi les limites du monde intellectuel se modifier parall lement les grands champs disciplinaires connaissent une hi rarchie mouvante tour   tour philosophes ou chercheurs en sciences humaines biologistes

ou physiciens occupent le devant de la scène quant aux réseaux qui unissent les représentants du monde intellectuel et aux liens noués grâce aux amitiés ou aux appartenances politiques ils permettent de préciser les contours d'une sociabilité toute particulière ainsi en ce début de 21^e siècle cet ouvrage apparaît comme un précieux outil pour le lecteur en quête de repères touchant à la culture contemporaine

the middle ages was a critical and formative time for western approaches to our natural surroundings an environmental history of the middle ages is a unique and unprecedented cultural survey of attitudes towards the environment during this period humankind's relationship with the environment shifted gradually over time from a predominantly adversarial approach to something more overtly collaborative until a series of ecological crises in the late middle ages with the advent of shattering events such as the great famine and the black death considered efflorescences of the climate downturn known as the little ice age that is comparable to our present global warming predicament medieval people began to think of and relate to their natural environment in new and more nuanced ways they now were made to be acutely aware of the consequences of human impacts upon the environment anticipating the cyclical new ecology approach of the modern world exploring the entire medieval period from 500 to 1500 and ranging across the whole of europe from england and spain to the baltic and eastern europe john aberth focuses his study on three key areas the natural elements of air water and earth the forest and wild and domestic animals through this multifaceted lens an environmental history of the middle ages sheds fascinating new light on the medieval environmental mindset it will be essential reading for students scholars and all those interested in the middle ages
