on the field legends like don hutson ray nitschke and brett favre made the green bay packers into a professional football powerhouse but the history of the nfl s only small town franchise is as much a story of business creativity as gridiron supremacy behind every packer who became a legend on the field there was an andrew turnbull dominic olejniczak or bob harlan leaders whose dedication and creativity in preserving the franchise were unwavering green bay packers trials triumphs and traditions tells the improbable story of professional football s most iconic team and along the way gives a unique window into the rise of modern professional sports as the nfl has evolved into a financial juggernaut the green bay packers with more than 112 158 stockholders stand alone as the only professional sports franchise owned by fans thus providing the only public record of how a sports team is run featuring more than 300 photographs

some never before seen green bay packers illustrates how the most creative team in sports is also one of the most successful with names like lambeau canadeo lombardi hornung holmgren and white leading the way to a league best thirteen nfl titles and twenty one hall of fame inductees this comprehensive up to date history of the packers includes the 2011 season

the packers the only fan owned team in any of north america s major pro sports leagues and green bay population 104 057 is the smallest city with a big time franchise they re unlikely candidates to be pro football s preeminent team yet nobody in the nfl has won more championships in honor of the team s 100th anniversary beech paints compelling pictures of a franchise a town and a fan base from the days of the french fur traders who settled on the shores of la baie in the seventeenth century to the team s pursuit of its fourteenth nfl championship adapted from jacket

packers green bay the green bay packers no matter how it s said one can t say green bay without thinking of the packers or say packers without thinking about green bay the greatest little city in all of professional sports but when and how did this legend in pro sports begin that question is answered in the first detailed history of the green bay packers larry names tells the myths that color packer history then he strips away the legends and finds the truth behind the tales did curly lambeau really start the packers what was george whitney calhoun s role in packer history how did george halas help save the packers from extinction were the early executives of the packers anti semitic how did gerald clifford create the most unique franchise in all of professional sports then there was the team the players how did the coach and general manager a small town team in the frigid north entice so many stars to play professional football for him for less money than they could get in bigger cities jug earpe charley mathys cub buck vern lewellen red dunn lannie dilweg johnny blood cal hubbard mike michalske and more hall of famers all the green bay packers the team and franchise too tough to die

ever worn a block of cheese on your head when you went to a football game for green bay packers fans also known as cheeseheads it s a sign of loyalty the green bay packers by mark stewart offers young fans a look into one of the nfl s teams with the most loyal spirited fans while including fun facts team spotlights such as brett favre and aaron rodgers and pictures of packers memorabilia have a young fan who likes to argue sports don t miss the great debates section where readers get insight into some of the greatest debates surrounding the packers and professional football team spirit is that deep passion shared by the players and fans when they wear the same colors watch the same scoreboard and cheer the same triumphs this popular series has been completely revised and updated for the fall 2012 release book updates include new team information records photos and timelines as well as new features like great debates and glory days once you finish the book you can go to the overtime website where each football team has its very own webpage

to accompany the reading material this site will be updated throughout the season and postseason with kid friendly news about their favorite football teams the perfect source for up to date statistics and player information for young sports fans

the two myths gene ronzani and lisle blackbourn each resigned from being the head coach of the green bay packers the truth both were fired and the packer organization to this day continues to deny that both were dismissed one because of his ethnic background and the other because he tried to do the job he was hired to do this fourth volume in the series on the history of the green bay packers reveals the truth behind the headlines of the 1950s after having fought for three decades for survival in a league consisting of big city teams the packers finally achieved financial solvency and even growth only to have this incredible feat soiled by underhanded dealings by the corporation s executive committee not all was rotten in bay city the packers did make some remarkable strides in the 50s the most memorable being the construction of a new stadium which the corporation partially financed with the taxpayers of the city of green bay the packers got their new stadium despite some wheeling and dealing by the corporation s own president that might have cost green bay its franchise in the nfl once again the packers survived the turmoil within the nfl and in their own back yard they appealed to the fans of wisconsin and the upper peninsula of michigan for more money through a stock sale then they appealed to the voters and taxpayers of green bay for a new stadium in both cases they received overwhelming support on the field the packers went through a trio of coaches from 1950 through 1958 gene ronzani had the unenviable task of rebuilding a team that had been decimated by the pro football war between the nfl and the aac he brought in some stars but before he could really build a solid foundation he was fired mostly for being italian for being from the upper peninsula of michigan and for being a former player and coach for the hated chicago bears wisconsin native son lisle blackbourn was hired away from his job as head coach at marquette university to replace ronzani he built on what ronzani had begun but he wasn t allowed to run the team as he saw fit to do finally the second guessers got him fired ray scooter mclean an assistant under both ronzani and blackbourn was given the top post in 1958 a wonderful human being poor scooter was a disaster as a head coach in the nfl

the myth the depression forced the packers into bankruptcy the truth a lawsuit by an injured fan forced the packers management to seek protection from the corporation s creditors the history of the green bay packers the lambeau years part two revised edition finally gets the story straight in this controversial narrative of the green bay packers larry d names has captured the essence of the team the corporation that owns the packers and their riveting history the numerous real life stories reveal how the green bay packers managed to stay in the national football league when the trend was to move to the big cities its detailed documented style captivates the reader and involves him in the feelings of the times football grew through its players its coaches its owners and the history of these men and

their exploits has been clouded in more than a few memories however this history while intriguing does not compromise the facts with fancy as in part one the reader will find the truth about some of the greatest names and the greatest team in football history the author has finally done justice to the creation of the most unique sports franchise in american history through his exhaustive research he has rediscovered football history praise for part one part one goes through 1932 concentrating on how earl louis curly lambeau led the community owned packers into the nfl it's filed with rare photographs and amusing anecdotes about the early days of pro football john tkach usa today those who like football history will find interesting reading in this book john duxbury the sporting news when did the bears packers rivalry change from football to a blood feud funny you should ask author larry names addresses it in his new book the history of the green bay packers the lambeau years part one skip mylenski linda kay the chicago tribune this is an exciting history entertainingly written it figures to be a well thumbed addition to my library and i can't wait for the next installment bob carroll professional football research association three cheers for the history of the green bay packers by larry names one can tell by his attention to detail and willingness to dig for the facts that it was a labor of love scott derby packer fan kendallville indiana i have read the other books on the history of the green bay packers and have found yours to be most interesting and accurate j edward clair delevan wisconsin

this title focuses on the green bay packers and gives information related to the team's origin in the nfl their journey through the decades and highlighting their hall of fame players this hi lo title is complete with vibrant photographs simple text a glossary and an index aligned to common core standards and correlated to state standards fly is an imprint of abdo zoom a division of abdo

the green bay packers football legacy is second to none 13 nfl championships 25 pro football hall of fame members and names like lombardi lambeau and favre all synonymous with a winning tradition and a guide to the team chronicles its phenomenal successes heart breaking letdowns and legendary moments original

although green bay is the smallest city with an nfl team the green bay packers receive an overwhelming amount of support they are the only team owned by their fans the packers are also proud to have been under the leadership of legendary coach vince lombardi for nine seasons young readers will be thrilled to find out what the green bay packers are all about in this action packed title

the narrative details the history of football in green bay wisconsin from its introduction in 1895 the biographical style puts the reader directly into pivotal historical events and locations with emphasis on the development and survival of the green bay packers thanks to the efforts of the community it integrates elements of american and world history to paint an accurate picture of american life at

various points in time from 1895 2011 viewed from the institution of professional football approximaely 375 photographs including then and now spreads add a lively visual perspective this is the most comprehensive book ever written on the history of the green bay packers and will enrich the reader s understanding of american history in general

the 1962 green bay packers are still considered one of the most successful teams in the history of the national football league this book examines how the team was built exploring how four of the five assistants on lombardi s coaching staff went on to become head coaches the team was rich with personalities from the glamour conscious hourning to the emotional nitschke to the determined starr of course the strongest personality of all was lombardi who shaped these many unique individuals and talents into a team that changed the game forever the packers of this era won five championships in seven years including the first two super bowls creating a dynasty in the smallest market in professional sports despite playing in little green bay the players on lombardi s team became national heroes

a wisconsin native returns to green bay to cover the packers tumultuous first season following the departure of their legendary quarterback brett favre

one of the most storied franchises in all of professional sports the green bay packers have featured some of footballs greatest players from bart starr and ray nitschke to reggie white and brett favre even the super bowl trophy which theyve won three times has taken its name from their legendary coach vince lombardi green bay packers the complete illustrated history is an intensely illustrated treatment of this iconic sports team it includes more than 200 photographs along with numerous drawings showing stadium plans and maps and chalkboard illustrations of key moments and plays from the teams history with detailed profiles and stats the volume explores the players and teams that have defined the packer legacy over more than eight decades it is a book that no packer fan will want to be without

traces the history of the team from its beginnings through 2002

introduce middle grade football fans to the extraordinary history of the nfl s green bay packers with a photo laden narrative of the team s greatest successes beginning with the franchise s early years readers get the highlights of the club s superstars and memorable seasons as well as its playoff runs and 13 nfl championships a colorful layout drives home the action and sidebars deliver facts and stats about key players such as aaron rodgers and brett favre young sports fans experience their favorite football teams like never before in this title from the creative sports series includes table of contents and index

this title introduces readers to the green bay packers providing exciting details about today s stars and going deep inside the key moments of the team s history the title also features informative fast facts a timeline and a glossary aligned to common core standards and correlated to state standards sportszone is an imprint of abdo publishing company
